

MODEL CONTRACT AGREEMENT

Welcome to Edify Fashion,

We are very happy you will be part of the Edify Fashion Show! We will do everything possible to make this a great event and an experience you will enjoy. You will find that the Edify Fashion Show is going to be a different, more upscale experience. We will be at Los Cedros USA Arabian Horse Ranch. There will be a Arabian Horses featured in the show as well as beautiful Wolf hounds. There will also be a professional dance performance.

Edify Fashion will be focusing on professional and upscale photography and you will receive runway photos as well as a “photoshoot” with each look you model.

While we will need to have fittings and rehearsals, we want to be respectful of your time. We plan on making the best of use of time as possible, but the few meetings we will have planned we need your commitment to be there and on time. Putting on an event such as this will take organization and commitment from everyone on our team. Communication is very important. Please make sure to reply to our emails in a timely manner.
